Pianos

Please do not move pianos. They are heavy and may topple if moved incorrectly.

Please close the keyboard lid when you finish, to keep out dust and dirt.

Cleanliness

Please keep the practice room clean and tidy; leave it in the state you would wish to find it. Absolutely no food or drink allowed, except for water in a bottle with a replaceable lid.

Drum kit

Cymbals are available from the Music Department.

Please note that the hours for drum kit hire are limited to avoid noise disturbing classes.

The college does not supply amplifiers in the practice rooms.
