Section E: Supporting Statement

In a few sentences please tell us why you are applying for a bursary.

You should include information on any exceptional circumstances that mean you are unable to cover the fees stated overleaf. You should also tell us how you feel the course will benefit you.

Guidance Notes

The College Bursary is only for the payment of tuition fees. Any other associated costs are excluded from the bursary award scheme.

The Bursary may help with 25% or 50% of the course fee depending on the individual circumstances of the applicant.

You need to apply individually for each course, as it's not guaranteed each term.

In 2019/20 it is capped at £200 per student; this can be spread across 3 term courses.

All payments are at the discretion of the Bursary panel.

The panel meets on a weekly basis and you will hear of the result of your application within 10 working days of submission.

The panel does not consider applications for courses where the applicant would qualify for the Advanced Learner loan or Higher Education finance

The panel will consider applications when one of the following applies;

- The student qualifies for the concessionary rate but there are circumstances above and beyond those for which the concession is granted. Proof of these circumstances must appear within the supporting statement and a bank statement / benefit documents must support the application
- The applicant does not qualify for the concessionary fee but there are exceptional circumstances which would mean that the applicant would not be able to attend the course unless the Bursary was awarded. Proof of these circumstances must appear within the supporting statement and a bank statement / benefit documents must support the application

If you wish to appeal the decision of the Bursary panel you can do by email. Please contact the Vice Principal, Nick Rampley nick.rampley@morleycollege.ac.uk

Please refer to our Financial Assistance for Students policy for full details and conditions.
