

CHELSEA CENTRE FOR THE CREATIVE INDUSTRIES

PART OF
MORLEY COLLEGE LONDON

Our curriculum team of experts are professional artists, designers and makers in their own right, so you're in excellent hands.

If you're just starting out, you can begin exploring your creativity with our Level 1 Diploma. Or keep moving on your creative journey by joining one of our reputed Higher Education courses in fields including Fine Art and Photography.

We have consulted with academic and industry experts to develop a curriculum that builds on our long-standing heritage in the arts, while focusing on collaboration and resilience to keep preparing our students for the future.
