

MONDAY

FABRIC FLOWERS

FROM REMNANTS AND SCRAPS
TASTER SESSION WITH
MORLEY TUTOR SARAH LOMAX
6-9PM **£15**

Learn how to make decorative and unique fabric flowers from remnants or scraps of material. Ideally suited to an online environment needing no specialised equipment, this 3 hour taster session will show you how to create shaping for realistic looking petals, and how to bring those petals together to form a rose.

Sarah Lomax is a milliner with over 30 years of industry experience and joint owner of the bespoke millinery brand Lomax and Skinner.

You will need to source some materials for this workshop, please see website listing.

PENNY LECTURE

THINKING IN CIRCLES
SUSTAINABLE DESIGN AND
THE CIRCULAR ECONOMY BY
SALLY WRIGHT 6PM **FREE**

Sally is a designer and maker with a broad background in fashion, textiles and sculpture. Her work ranges from creations for high end fashion houses such as Dior and Chanel, bespoke accessory ranges for various retailers, and an art career encompassing art residencies, lectures and numerous exhibitions both nationally and internationally.

Sally has a teaching portfolio ranging from primary and secondary education, through to tutoring at various FE and HE institutions including the Royal College of Art. She is passionate about sharing knowledge and exploring how creativity and design impact all aspects of our lives.

Sally has become increasingly interested in the growing awareness of sustainability and environmental impact on the products and objects we utilise every day. Her current area of research focuses very much on this area, having set up the LeatherLookLeg studio in 2019 to explore materials and design processes that minimise our impact on the planet.

TUESDAY

EMBEDDING CLIMATE EDUCATION

IN THE CURRICULUM
4.15-5.30PM **FREE**

This session will look at how staff, in teaching roles and others, can improve their practice by becoming climate-aware.

This webinar will look at detailed examples of how UCU members are incorporating climate education in their classroom practice in a way which we hope you will find exciting and empowering.

MORLEY STUDENTS AND STAFF ONLY
(Including non-union members)
See full details on My Morley or email gpickard@ucu.org.uk

WEAR GREEN ALL DAY

Help raise awareness of environmental and climate issues by wearing green on 27 April. Whether that's to your workplace, around your home or on your daily walk - post a selfie and share on social media with the hashtag **#morleygreenweek!**

WEDNESDAY

THE ECO CRAFT FAIR

INSTAGRAM 7-9PM **FREE**
[@morley_college](#)

Our regular Instagram Craft Fair is going green on 28th April! We'll be welcoming a range of amazing eco-conscious small businesses and our regular makers to the fair.

Shoppers
Head over to Instagram to find our stories from 7-9pm and follow the links to purchase.

Sellers
Make ONE story about your product with its price. Give us some extra details in your post about why your brand/products are eco-friendly. Be sure to tag [@morley_college](#) so we can share it in the fair.

TALKING TEXTILES

WITH PROGRAMME MANAGER
MARIAN LYNCH 4PM **FREE**

A presentation on the personal practices of the Morley Textiles team. How do they address issues around sustainability in their own work and how does this influence their teaching? Join Marian and the team to examine their approaches - followed by a Q&A.

ZERO WASTE

PATTERN CUTTING
TASTER 6-9PM **£15**

Consumers and makers need to take responsibility for what we wear. Zero waste pattern cutting uses every part of the fabric. This online taster is suitable for complete beginners up to those with intermediate level skills.

Alice Reynolds teaches pattern cutting and fashion courses at Morley and has a background in creative pattern cutting.

You will need to source some materials for this workshop, please see the website listing.
