**22 April – 26 April
VEGAN MENU OPTIONS**

📍 All Centres

During Sustainability Week in all the College canteens, in addition to the usual menu we will be providing more plant-based food options. Choose to taste an alternative menu and take part in doing something good for the planet and our future.

**22 April – 26 April
E-WASTE COLLECTION**

📍 All Centres

During Sustainability Week, the college will be placing a clearly labelled waste deposit bin at each centre to collect any e-waste you are looking to dispose of. All e-waste collected during this time will be safely disposed of.

**22 – 26 April 11:00 | 2:00pm
BOOKSHELF SWAP FREE**

📍 Waterloo Centre

In the second year of the Waterloo Centre Bookshelf Swap, we are looking to continue providing an opportunity to share the beloved stories you have already read and discover something new.

HOW WILL IT WORK?

A bookshelf will be available in the Foyer at Waterloo Centre. You are welcome to bring in a book/s and swap with any book you are interested in on the shelf. We encourage anyone swapping books to leave the same number of books/s you have taken. Books must be in good condition.

**22 April – 26 April
TEST YOUR CARBON FOOTPRINT**

📍 All Centres

There are lots of great apps that you can use to explore your carbon footprint and ways to make positive changes. Why not have a look during Sustainability Week and plan your more sustainable future? Scan below!

**Mon 22 April – 1:30pm | 4:30pm
VINTAGE FASHION FAIR**

📍 North Kensington Centre

Join us for a celebration event of sustainable fashion, the Vintage Fashion Fair in the Main Hall at North Kensington Centre. This is a brilliant opportunity to donate any unwanted clothes or find a new favourite outfit. Our fashion students will be attending to assist with styling and helping you find and design your new look. If you love fashion and want to save the planet, come to the Vintage Fashion Fair.

**Tues 23 April – 6:00pm | 7:00pm

**POLLINATOR FRIENDLY
PLANTING IN THE
WATERLOO GARDEN**

📍 Waterloo Garden

Planting Wild Scabious plug plants in suitable locations. With a long flowering period, this is one of the best plants to attract a variety of pollinators and will hopefully self-seed for the coming year. We are looking for volunteers to help with the planting and this will be exciting to watch the plant grow as the seasons come and go.
